

PV Spring 2019
Team Mom Meeting

Thank you for being a team mom here at PV! Your time and help is much appreciated from the Board as well as your coaches!

I am very excited to get this season started, and to make it a successful one, I will need all my team moms to help meet these goals. There are many duties of the team mom but my main goal is to let the coaches do the coaching and not be distracted with fundraisers and other events that they will be coaching games during.

Events and expectations: (in order of date)

Candy money/ fundraiser money/league fees DUE 3/29/2019

* You will be given a team roster with info of what is owed at this meeting and I will explain how to read it. Please reach out to these parents to collect. This MUST be paid BEFORE any uniform is given/ or games played in the season.

Clean up Days at PV 3/16 and 3/23/2019

*All teams are required 3 volunteers to work one of these dates to be able to schedule practice on a PV field. Please organize your members for one of these dates. Coaches have been informed of this via email from the commissioner.

Parade day Friday 4/5/19

This is a very busy and fun day for the kids. All teams can decorate a float to be in the parade and will be judged for best and worst float. Please decide as a team your float and also your team will be providing candy to throw out to the spectators that will line the street. After the parade team moms will go to concession stand to receive hot dogs for the players. You can start lining floats up as early as 4:30. The parade starts at 6:00pm.

Opening Day 4/6/2019

This will be a big day for PV. If your team is playing opening games (you will know from your coach when schedules are released) we will be sending out info for those teams for a special event and picture that morning. So please be on the look out for playing the first games on this date. **If I do not contact you then your team is not scheduled.**

Picture Day at PV 4/27/2019

We will have the team mom organize this day for pictures! Your team will be due for pictures **1.5** hours BEFORE your game unless authorized by photographer or president. Kim will be our photographer and will give more info at this meeting. You will need your team in uniform and ready for team photo and then parents will be purchasing their separate packages. Info will be given with any changes and you will be reminded of events prior to via the numerous outlets of communication I have established.

Carnival Day 5/11/2019

This is the home stretch for team moms!!!! This date will be a BIG day at the field!!! All teams are required to work specific areas throughout the day and the team mom will be scheduling this as it fits with as many volunteers as you can get from your parents. Specific jobs will be sent out closer to the event to give you time to organize with your team. This is mandatory... if a person is not working the shift for your team , I will be contacting the coach and you to find coverage. Also for carnival day, each team is responsible for donating a basket in a theme that your team chooses for auction. This is the biggest fundraiser we do for the season! The better the basket, the better the outcome and things we can do to improve our field for the kids! **Also, if you do not submit a basket for carnival day, your team automatically takes a loss for the season for one game.**

Other duties and info for team moms:

If you have not registered on siplay please do so and have a valid email to get info needed for this season. You can also register on SI play as a team mom, this will be helpful for you and the league in future communications. I will be registering all the moms as a team mom on SI play.

Please use the listed outlets below for information:

Pvbaberuth.com

Facebook:

Prairie Village Baseball/softball (w/official logo)

Prairie Village Team Mom Nest (w/official logo)

Apps used for team mom:

Siplay

Spirit Wear:

Please use who you want to get spirit wear for your parents, this is not mandatory nor is this offered by the PV staff.

Please help your coach to coach, that is their main goal and this will benefit all our kids!
